

BEER CAFÉ +

BEER CAFÉ +, A café stand for the business person

Opening on Friday, November 17 on the 3rd floor of Domestic Terminal 2!

Tokyo Airport Restaurant Co., Ltd. (Head office: 3-3-2 Haneda-Kuko, Ota-ku, Tokyo; President: Masatoshi Akahori), a member of the Japan Airport Terminal Co., Ltd. group, will open BEER CAFÉ+ on the 3rd floor of Haneda Airport's Domestic Terminal 2 on November 17, 2017.

BEER CAFÉ+ is a “café stand for adults” that serves highly fragrant, dark-roast original blend coffee, Tokyo-brewed craft beer on tap, as well as a select range of craft beers from other parts of Japan.

The food menu to accompany these special drinks features three casse-croute sandwiches: Corned Beef Casse-Croute, a sandwich of crisp-crust soft baguette filled with generous helpings of home-made Sendagi Koshizuka corned beef, a well-kept Tokyo secret; a perfectly seasoned Prosciutto Casse-Croute; and a Bacon, Avocado and Egg Casse-Croute.

With a large range of a la carte snacks also available, BEER CAFÉ+ aims to be a place for business people to take a breather from their busy days as they fly about the country.
