(Kids' Toilet)

Japan Airport Terminal Co., Ltd. is pleased to announce the opening of a new multi-purpose restroom that conforms to universal design standards in the North Wing of the first-floor domestic arrivals lobby of Terminal 1 at Haneda Airport. Like the multi-purpose restroom already in service in use in the South Wing, the new restrooms offer fitting rooms for a convenient change of clothes, baby-care facilities and kids' toilets, as well as spacious cubicles for the convenience of wheelchair users and passengers with suitcases.

These new facilities are part of our ongoing efforts to improve our services and satisfy the needs of all our users.

\* Multi-purpose restroom facilities opened in the South Wing in March 2016.
