Taxi evaluation system

Tokyo Taxi"From TripAdvisor magazine Taxi Although a comprehensive evaluation of the service "has already gotten the world of evaluation, Taxi Center better quality in Taxi In order to facilitate the provision of services, corporate Taxi Introduced the ["evaluation system relating to safety and services"](#) to the operators, we have commended the good business person. The user in the business who have received a good evaluation has issued an excellent display panel so that you can identify. Also, Taxi In the center, the person who traffic violation and sales violation there is no customer service attitude set an example of good and the other driver was commended as an excellent driver, you have to deliver excellent driver license.
