**First time** achievement

Haneda Airport Passenger Terminals\*1 have become the award winner for “Best Airports in Asia” of the 2021 World Airport Awards conducted by the UK company, SKYTRAX\*2, being the first airport in Japan to ever receive this award.

In addition to achieving the “Best Airports in Asia” for the first time, Haneda Airport has also become runner-up for “World’s Best Airports” category for the 3<sup>rd</sup> consecutive year. Moreover, Haneda Airport have won the “World’s Cleanest Airports” award for the 6<sup>th</sup> consecutive year (awarded for the 8<sup>th</sup> time) praised for its cleanliness and comfort. In the “World’s Best Domestic Airports” category, Haneda Airport has won the award for the 9<sup>th</sup> time consecutively for its convenience and comfort of the domestic facilities. Our initiatives to assist the elderly and passengers with disabilities have been evaluated to be the “World’s Best PRM / Accessible Facilities” category for the 3<sup>rd</sup> consecutive year.

In a new award category, Haneda Airport has been rated to be one of the “COVID-19 Airport Excellence Awards” as well, for its measures to prevent from COVID-19 infection.

Haneda Airport plays an important role being a hub airport for both domestic and international flights. As the spread of the new coronavirus has been prolonged in many countries around the world, our group hopes for a fast recovery from COVID-19 pandemic, and we will continue to work together to provide facilities and services that are convenient, comfortable, and functional, with prioritizing safety for our customers.
