

Hermès Boutique at Haneda Airport International Terminal will Reopen!!

Hermès Boutique, a French high-fashion brand, will reopen on Saturday, January 25th in the area beyond the immigration gate at Haneda Airport International Terminal.

It offers a wide array of products, including the most recent ready-to-wear lines, purses, leather items, shoes, fashion accessories (e.g., scarves and ties), jewelry, and watches.

Tokyo International Air Terminal Corporation will continue to deliver excellent customer service to all airport users. We hope you enjoy shopping at Hermès Boutique.
